**"I am amazed! This retreat was so powerful. From the first call to Project Rachel, I felt so welcomed; the hospitality was so great throughout the weekend. The program itself was so much better than I had ever imagined it would be."**

**"Everything about this retreat was meaningful. I was moved by the Living Scriptures."**

**"This retreat allowed for healing for so much more than just abortion. God accomplished so much in so little time. I also really enjoyed the fellowship."**

**"I feel emotional rest, a sense of connection to my child & a renewal of openness to emotion where I had shut down. I have a stronger sense of self."**

**"It was so helpful to meet others who share the same type of issues as me because of the abortion of their child – people who are supportive of me, both the other participants and the team. The prayers, living scriptures and meditations were very descriptive and helpful. Also, being able to express myself and tell my story without shame or uneasiness. I was able to begin the healing process so I can move forward instead of being stuck in grief."**

**"I am overwhelmingly impressed with this retreat. It was an experience that opened my eyes & my heart to the much needed healing that I didn't even realize I so desperately needed. I am SO glad I made this retreat & began my journey to draw ever so close to my Savior."**

**March, 2016**

**"Wow, where do I begin? This retreat was life-changing for me – I will be forever grateful. For the first time in my life, I can say that I have forgiven myself, which is a miracle. It has allowed me to rid myself of the guilt and shame I've carried my entire life. I so appreciate the love and support of Father and the team!! You have helped facilitate my new life in Christ."**

**"I continually pushed God away due to my own guilt and shame. Now I know that I am deserving of God's love, grace, mercy and forgiveness."**

**"I feel free. I don't have to continue to own my guilt and shame which makes me feel unworthy of love and happiness."**

**"This retreat has given me renewed hope and trust. My heart, which once had a hole in it and chains around it, is now free and willing to accept love and give love."**

**"The team members are caring, inviting, good-hearted people. They gave me overwhelming support. I felt the presence and comfort of the Lord. I never imagined this as an outcome of coming here to feel like I'm worthy of heavenly father's love."**

**"This retreat helped me spiritually because I was lost and wounded and I need a way back to my Lord. That was the best improvement I could have gotten – rebuilding my faith, my trust in the Lord and learning to accept his love. Thanks so much."**

**"This retreat was absolutely revealing, emotional, helpful, sorrowful. All the things I've been trying to avoid. It is well-organized, well thought-out."**

**"Awesome! It is so wonderful how we change so much – are transformed by the experience. I truly experienced the Holy Spirit."**

**"Wonderful! Complete! From God!"**

"This retreat was profound, amazing, miraculous, healing, restorative, a blessing, the love of Jesus Christ in our midst. I am brand new and a blessed child of the Living God – this has been affirmed here at Rachel's Vineyard Retreat. I am loved and worthy of love."

"This retreat is a powerful way for each of us to walk with Christ's teachings through the Living Scripture exercises and feel the deep healing that He gives to us - just as He gave healing to the sick, the blind and raised the dead. His mercy is unending and flows to us to heal our grief. Because the leaders of the retreat have gone through and/or been touched by the wounding of abortion, they have comforting words and emotions that reach out and hold us close to help with our healing - to help us forgive ourselves. We realize we are not alone in our grief. There are many who have suffered losing their babies: the women here (and men) and those who haven't yet come to share in the healing."
