A Message from the Program Manager

Dear YTP Supporters,

Thank you for helping YTP to have another successful year supporting students! Whether you are a tutor, donor, or both, you have played a key role in helping students to overcome barriers to academic success. In my many visits to tutoring centers this year I saw hard-working 12th graders finishing college applications, enthusiastic 1st graders learning sight words, and everything in between. It’s been a joy to watch tutors and students build relationships, whether through taking turns reading a great book, discussing emotions and tracking moods, or teaming up to build new math skills. As tutors and donors you have made all of this possible. Thank you all for keeping YTP going, now for 27 years. In this report you’ll see the impressive statistics for this thriving program.

The hard-working YTP team (pictured below) had another great year supporting students and families to address the educational inequity they have experienced due to race, culture, home language, or income. In addition to organizing and supporting tutoring sessions, Center Supervisors have teamed up with parents and teachers to provide the coordinated support needed to help each student build and maintain academic success. They have also built and leveraged community relationships to provide additional learning and enrichment opportunities, including workshops ranging from addressing Islamophobia to jazz drumming!

I look forward to seeing what’s next for YTP students and staff, and working with you all towards continued success for YTP youth in 2019. I invite you all to join me for our annual Dream Big fundraising breakfast on Friday March 8th, to be inspired by youth and alumni speakers who know how to Be Bold. Dream Big.

With gratitude,

Heidi Neff

Tutor Highlight

Elsa and Linden Klein

Linden and Elsa Klein have been tutoring at YTP for a combined 15 years and are dedicated to the children they work with. They love coming to tutoring sessions, and both wish they could spend more than an hour a week with their students.

Linden has been an incredible resource at YTP since 2006 and continues to teach and mentor today. Linden joined the program because he enjoys working with children and the impact it has on the student and himself. One of his previous tutees gave Linden his own homework during sessions so that they both had tasks to accomplish. The tutee would often try to stump Linden with questions, which made learning fun for both of them. He received a paper crane as a thank you gift from this student and keeps it on his desk to this day.

Seeing the impact that YTP students’ had on Linden, and being a teacher herself, Elsa was excited to join knowing she could bring her love of teaching into the sessions. She appreciates working with students one-to-one and learning from both her tutees and other tutors. Elsa especially enjoyed tutoring the same student over the course of a year and building a genuine friendship. This bond made it hard for Elsa and her tutee to say goodbye when the student moved back to Africa.

The Kleins have been an amazing asset to our students and the program. We hope they will continue for many years to come.

Thank you tutors who have volunteered for 10+ years!

What parents are saying...

“YTP is dedicated to supporting the community!”

“What I like about YTP is the diversity and that the Center Supervisor makes us feel at home. They are always on top of the things that the student needs to get done.”

“YTP is very helpful with homework assistance. They always update us about tutoring, and they even come to our house.”

“I noticed that my student reads better than at the beginning of the year and recognizes more key words.”

What students are saying...

“I like how the people there are respectful and how they’re willing to help you with ANYTHING!”

“I have a safe community to come to every week, and I know I will be supported.”

“If I don’t understand something, my tutors explain it in a simpler way. Your tutor becomes like family after a while, because you build a strong relationship.”

“I like that the tutors sacrifice their time to help me with my homework.”

“I like the improvements to my grades after attending YTP.”

Ways to Support YTP

**Employer Sponsored Volunteering**

See what Employer Supported Volunteer opportunities your employer provides. Some companies:
- provide flex time or time off to volunteer
- pay the nonprofit for your hours
- match your donations
- provide annual grants to nonprofits for which you volunteer
- promote your support in company materials

For more information contact Jayanthi at JayanthiR@ccsww.org

**Serve as a YTP Ambassador**

As a YTP Ambassador, you can help us communicate our message far and wide!
- talk to friends, coworkers, and families about donating or volunteering
- find sponsorship for a fundraising or recruitment event
- communicate with local community centers about volunteering
- host events to bring in funding, school supplies, or other materials support recruitment events
- post our recruitment materials around Seattle

**Donate to YTP**

We love receiving donations that support tutoring centers directly. We always need:
- healthy snacks
- school supplies
- office equipment and supplies
- books and reference materials
- hosts for center parties
- financial support
