

*Christ be our light!*

*Amid the crisis of the century, your 2020 Appeal for the Poor support helps CCS/CHS bring the gift of light, smiles with our eyes and hope with our words to thousands in our care:*

- Providing food, clothing and basic human needs to those who have lost employment
- Moving medically fragile shelter guests to motel rooms to ensure safe, secure services
- Delivering tons of nutritious food across Western Washington to folks never before in need
- Opening additional emergency shelters to comply with social distancing
- Helping homeless children and their families move off the street and into secure housing
- Providing special assistance to farmworkers to remain safe and protected in the fields
- Affording therapy and recovery for family's experiencing mental health emergencies
- Delivering nutritious meals and safe care assistance to isolated elders in the homes they love
- Offering critical assistance to underserved black and brown communities
- Furnishing personal protective equipment for health and hygiene
- Helping low income mothers and families with essentials such as diapers and food
- Aiding Veterans with housing, healthcare and transportation challenges
- Pivoting from in person to online critically needed counseling sessions
- Working in partnership with parishes to address pandemic related needs
- Increasing drug and alcohol treatment related to pandemic isolation
- Arranging assistance for individuals and families facing eviction
- Training and job referral for entry level positions in social services
- And so much more!

*Thank you for your care and support!*
