

LIGHTING THE PATHWAY TO HOPE

A Prayer for the Poor

Lord, let Your Light shine where people feel forgotten and hopeless.

Let Your Light comfort the ill, the abandoned and the abused.

Let Your Light lift up those who suffer at the hands of hate and prejudice.

Help us be Your ears, listening to the cries of the poor.

Help us be Your voice, speaking out of love and compassion.

Help us be Your hands, feeding, clothing, and sheltering those most in need.

Help us bring Your Light and Hope to those in this world who feel lost and unloved.

Lord, hear our prayer.

Amen
