King County is Now Enrolling for HEN Transportation and Essential Needs at CCS @ The Phoenix Center!

All individuals who are eligible for HEN in King County can enroll to immediately receive the following:

- An Annual ORCA Lift Pass for access to free area public transportation for one year
- A monthly bag of hygiene and cleaning supplies

At this time, we are NOT able to offer rent and utility assistance to new clients. As funding and capacity allow, CCS will prioritize people for rent and utility assistance who are already enrolled in HEN transportation and essential needs and meet program criteria.
