To Whom it may concern:

My name is Miranda

I have lived in phase two of la casa de san juan diego for 5 years today.

I wanted to express my gratitude to the property owners and onsite management team. It isn't a day gone by where I have not loved living here. The

landscape is always beautifully manicured and free of garbage. The area is safe

and I can trust my children can play outside without fear of them getting

hurt. Also with our rent being so reasonable my husband and I have been able

to provide our children with a beautiful home that we couldn't otherwise

afford to give them. You have made a great choice in management also,

Rosario is strict in that she ensures the rules are followed in order to maintain a

safe, happy environment for all the

residents, she is also thorough and

efficient in getting things taken care

of. I have lived in different places
~~off~~ in the years previous to my moving
here, this by far is the best place
I have lived. Thank you again
for the opportunity for my family
to live in such an incredible home.
