## CCS Volunteer Services - Southwest

CATHOLIC COMMUNITY SERVICES  
CATHOLIC HOUSING SERVICES  
SERVING PEOPLE OF ALL BELIEFS

Join our robust [Volunteer Services program](#) to help with medical, dental, and social transportation needs, housework, laundry, minor home repairs, and pet and yard care. Every day, we help to ease the lives of seniors over 60 and adults 18-59 with disabilities living in our largest region, stretching from the Columbia River to the Pacific, from King County to the Oregon border. Our volunteers offer seasonal yard work, light housekeeping,

home repair/accessibility modifications, wood provision, phone monitoring, and different ways to keep neighbors in the comfort and security of their own homes.

## Other Southwest Volunteer Opportunities

### Grays Harbor: CCS Feed the Hungry

Contact Program Coordinator Cher Spencer at 360-500-7629 to join the Feed the Hungry team, making daily take-out lunches for more than 100 neighbors in Aberdeen. Learn more about [Feed the Hungry](#) on our website. "It's not just a place to get food to sustain life. It is a place to gain inspiration and a leg up in life."

### Pierce County: CCS Nativity House

Interested in volunteering to help individuals and families experiencing homelessness? Volunteer Coordinator Megan Edwin, 253-365-4111, will help you find the right spot in Tacoma for your skills and availability. Volunteer sites include [Nativity House Shelter](#), the Stability Site, the CCS Family Housing Network Day Center, and Family Housing Network's new Safe Parking program at Tacoma's historic Holy Rosary Church.

Love to Garden? Consider growing an extra row of vegetables for the shelter's kitchen. Love to cook? Come out and help cook and serve a meal. Love fashion? Come give the clothing room some much-needed TLC. There are LOTS of ways to help, and there's a place for you on our team. Visit the [Nativity House Facebook](#) page to learn about volunteer opportunities and donation needs at Nativity House Shelter.

## Thurston County: CCS Community Kitchen

The [Community Kitchen](#) serves thousands of nutritious lunches and dinners to hungry neighbors, Monday through Saturday. To volunteer, contact Peter Epperson, Community Involvement Coordinator, at 253-642-7514 to share your availability and what days and times work best for you. He will connect you with a crew that needs help with a specific meal.

Lunch crew members arrive at 9 am and work until 12:30 pm. Dinner crews arrive at 2:30 pm to help prepare and serve the meal. Some crews have volunteers that come only to help serve at 4:30 pm. All dinner crew members are asked to stay and clean up until 6:30 pm. Meet Peter and learn more about this opportunity by watching [The Community Kitchen](#).
