CATHOLIC COMMUNITY SERVICES
CATHOLIC HOUSING SERVICES
SERVING PEOPLE OF ALL BELIEFS

Hundreds of CCS KC volunteers help create a "safety net" for seniors over 60 and adults living with disabilities so that they may remain living independently in their own homes. Our clients are unable to afford private help with chores and are ineligible for state-paid chores and transportation services. They have limited incomes, chronic health conditions or difficulty with mobility, and live alone. We carefully match volunteers according to their preferences and provide training and ongoing support.

If you are interested in volunteering please fill out our [Volunteer Services Online Registration](#). You can scope out our individual or group volunteer opportunities by visiting our site at [VolunteerMatch](#), or by contacting our area **Volunteer Coordinators**:
